It is the duty of the early childhood education and care staff to ensure that the person collecting the child has right to do so. If another person apart from the custodian or the above-mentioned supplementary person picks up the child, the custodians of the child shall notify the day care staff about this in writing in advance. In special cases, where the custodians present the child to be picked up by a minor sibling or similar person or wish the child to travel alone, the day care staff, in consultation with the custodians, will assess the safety of the child's way home and will agree on it in writing.</p> <p><u>(Safety Guide for education and early childhood education (in Finnish): Organisation and Management of Safety Work. Finnish National Agency for Education, 2022)</u></p>
EARLY CHILDHOOD EDUCATION PLAN	<p>An individual early childhood education and care plan is drafted for every child (Act on Early Childhood Education and Care, Section 23§) and it will be regularly assessed during early childhood education and care. The plan will be entered in the eVaka system.</p> <p>When drafting the early childhood education and care plan, the child's linguistic, cultural and religious background are also taken into consideration. In early childhood education, the religions and other beliefs present in a group of children are explored together. Lack of religious belief is considered alongside other beliefs. (Foundations of Early childhood education and care plan 2022)</p> <p>When the child moves to another early childhood education unit of the City of Tampere, the early childhood education and care plan and the matters related to it will be transferred to the day care centre in question.</p> <p>If necessary, the family daycare caregiver will order an interpreter for discussions held with the families (Administrative Act § 26).</p>

TRANSFER OF DATA	<p>The family daycare caregiver is bound by confidentiality in matters concerning your child and family. Also, the day care centre's staff includes a special needs teacher of early childhood education.</p> <p>Collaborators in early childhood education and care in child's matters are other actors of the City of Tampere: day care centres or family day care, basic education, morning and afternoon activities for schoolchildren, basic health care (child health clinic) and child therapists, family counselling centres, child welfare services in the area, police and refugee reception services.</p> <p>RIGHT TO DEROGATE FROM THE SECRECY OBLIGATION (Act on Early Childhood Education and Care Section 41§)</p> <p>Notwithstanding the provisions on secrecy, the organiser and producer of early childhood education and care have the right to obtain, free of charge, the information necessary to organise early childhood education and care for the child from the parents or persons who have custody of the child, education authorities, healthcare and social welfare authorities and from other providers of early childhood education and care services, healthcare and social welfare providers, as well as from healthcare and social welfare professionals.</p> <p>The secrecy obligation notwithstanding, the people in charge of the early childhood education and care of a child and the people participating in the assessment of the need for support, support measures and implementation of support measures shall have the right to receive from and disclose to each other as well as to the organiser and provider of early childhood education and care any information that is necessary for organising and providing early childhood education and care and assessment of support.</p> <p>If a child transfers to early childhood education and care organised by another organiser of early childhood education and care in accordance with this Act, or to pre-primary education or basic education in accordance with the Basic Education Act, the organiser of the previous early childhood education and care shall, notwithstanding the provisions on secrecy, provide without delay the information necessary for the provision of early childhood education and care for the child to the new organiser, or the information necessary for the provision of instruction and early childhood education and care to the organiser of pre-primary education or basic education. The corresponding information may also be disclosed upon request by the organiser of early childhood education and care, pre-primary education or basic education.</p>
SYSTEMS	<p>Early childhood education and care uses the eVaka Tampere system. Through the eVaka Tampere online service the custodian reports a child's hours of attendance, absences due to illnesses and similar to the day care centre, as well as the holiday periods. Via the online service the custodian can communicate with the early childhood education staff and participate in drafting the early childhood education plan. Through the eVaka Tampere online service the custodians can advise the Client Fees Unit about their income or give their consent to the highest client fee. Using the same service they can also discontinue the child's place at day care.</p> <p>The custodians will create for themselves their user ID for the eVaka Tampere system the first time they use it. Strong authentication is required to the creation of user IDs and some eVaka online services.</p>
