The information you have submitted here, will be recorded in the client registry of children's day care. You have the right to inspect the information that concerns you or your child.

I consent to receiving official decisions concerning children's daycare service and fees as electronic messages to the Early Education's Online Service. The parent/guardian will be responsible for updating his/her contact information upon possible changes. The City of Tampere must be immediately informed of any changes in contact information by a written announcement or through the Online Service.

I confirm that the information I have given on this form is correct and that the information will be checked if needed.

In case a granted day care place is not needed, the reservation must be cancelled before the date agreed upon in the contract. Otherwise one half of monthly fee determined by Decree 912/92, 4 § is charged (City of Tampere; Board of Social Services and Health Care 29.12.93/525 §).

A day care place must be applied for 4 months before care is needed, or two weeks before care is needed in case of sudden employment or admission to study. This day care place application is valid for 6 months from the date of reception.

More detailed information about day care is available on the internet pages of the City of Tampere at:
