TERMINATION OF DAYCARE SERVICE

(Return the form to your daycare center)

There is no term of notice in daycare. However, the termination of service cannot come into effect before the day the termination of service form is submitted to the daycare center.

If the need for daycare service arises after the termination of service has taken effect, a new application form must be submitted four months prior to the desired beginning of daycare service. If the need for daycare is the result of the beginning of employment or studying and it is not possible to know in advance when the need for daycare service begins, a daycare service application must be submitted as soon as possible, but at least two weeks before the need for daycare service begins.
